

**Message of the Bachelor of Arts and Education program
(specialization in Educational Psychology) (Preparatory and
(Secondary levels**

The program is committed to preparing distinguished and competent graduates in the field of psychology, capable of meeting the demands of the local and regional labor market by filling positions as psychology teachers and school psychologists. It also contributes to supporting and developing the educational system, scientific research, community service, and environmental development, while adhering to ethical and professional values.

Program Coordinator

Dr/Mervat Hassan

Head of Educational Psychology Department

Dr/ Mai Khalifa
