

Cultural Festival at Helwan University

On 30-5-2025

The Faculty of Education participated in the cultural festival at Helwan University, presenting a variety of segments including poetry recitation, Quranic recitation, Hadith (sayings of the Prophet Muhammad), musical performances, and religious chanting, in addition to a distinctive introduction and conclusion. Students also participated in radio and television broadcasts. The participation included a simulation of a school day entitled "Role Models," aimed at highlighting educational and moral values.

The college achieved **third place** at the university level, an accomplishment that reflects the excellence of its students.

.and the integration of their efforts in cultural activities
